Mr H. Barnes Atty Gen
Salt Lake City
Utah

I write you in behalf of a parole for application to
commutation for the Board
of Pardons on Sat Apr 17 at the
Pen where I am serving
time. I had my work
misjudged in this and I feel
entitled to be before the Board
for the May meeting and I trust
my term of 18 mo could have
expired as is about May 30th 15
I believe and claim I
merit action that when application
be presented after the 1st of
the month it would not be
positive on until the regular
meeting. Trust you will
consider this in the end of
we know matter a favorable
has been made and will try
application to have the Board
appear for the May meeting.

Thanking you in advance
I beg to sign me all sincerity
