DR. ARCHIBALD KERR,
280 So. Main Street,
SALT LAKE CITY, UTAH.

Dr. Archibald A. Kerr.

Salt Lake City, Utah, Dec. 13 1899

To the Board of Pardons.
City.

This is to Certify that Mrs Sarah T. Green, wife of Shadrach E. Green, is suffering from an attack of Appendicitis. Sarah Green, ~~brother~~ sister of Shadrach Green, has an inflammatory condition of her eyes which incapacitates her from earning a living.

Consequently the family is in a rather deplorable condition and ~~as~~ in need of such assistance as could be rendered to them by Shadrach Green if he were given his liberty and pardoned.

Yours truly
A. A. Kerr M.D.
