Reply 13 Board Pard

Utah Penitentiary
Feby. 20./96

Hon. H. N. Wells,
Governor of Utah.

Sir,

I respectfully solicit the attention of the Board of Pardons to my case, with a view to obtaining through them an act of justice which I consider due me. I was convicted at Provo, Dec: 16./93. of burglary, and received a sentence of five years, which I consider an excessive one, in view of the fact that two companions, Richard Gould, and James Wilson, convicted of the same charge, at the same time, received sentences considerably shorter. Theirs being two and a half and three years respectively.
