D. C. BARBER, M. D., SUPERINTENDENT
C. W. MURPHY, M. D., ASST. PHYSICIAN

Los Angeles, Cal., May 23d 1895.

Mr. G. Cohn.

Dear Sir:

In answer to yours of May 18th I will say that your wife Mrs Mary Cohn is in this institution suffering with lung trouble (Consumption) and also hemorrhoids which were operated upon about ten days ago, she stood the operation well and is somewhat improved over the condition she was when she came here.

Yours Truly
D. C. Barber Supt.
