

October the 16th, 1915.

The Hon. Board of Pardons--

Gentlemen:-

In addition to my request for a rehearing of my petition for a termination of sentence, I beg leave to say that in case I am released I will go straightway to Nevada, where I can secure employment at once. Moreover, I am in a position to secure the money with which to pay my fare over to Nevada.

Respectfully yours,

*Albert Ringling*
