

ago at the age of 14. and I have never been convicted of any crime until March 22 - 1924

I have never seen my sister since I was seven yrs. old. She now lives in La Crosse - Wisconsin, where she is married, has a good home, three children and a good husband. They are willing to furnish transportation for me to go to Wis. where they will help me to go straight and get a job, and make my home with them. So I am applying for another chance, under the following conditions

That I leave the State of Utah immediately upon my release and go direct to Wisconsin, and as soon as physically able to go to work I will do so, and at the earliest possible date will pay back the amount of the check I Forged, and in every way try to go straight and try to conduct myself as a Gentleman and prove to my Friends and Relations that I can + will go straight and make good, and that their trust and confidence was not misplaced.

That I have the necessary funds for transportation on deposit with the warden at the prison when the Board of Pardons
