Whipperman

Honorable Board of Pardons,
State Capitol Bldg.,
Salt Lake City, Utah.

Gentlemen:

I understand that a petition has been filed with your honorable board for the parole of Ernest C. Whipperman, who is confined in the state penitentiary, having been convicted on a charge of forging Salt Lake County warrants.

I feel that the two years of untold agony that Mr. Whipperman together with his wife, passed through waiting the disposition of his case, has made him realize that his actions were wrong and has impressed his mind with a resolve to become a better member of society.

In view of this fact and that he now has an infant son four months old, that justice can best be served by granting his petition for parole to enable him to properly care for his family and rear his son as I feel he desires him to be reared.

Yours respectfully,

Jas. H. Sullivan
Auditor Salt Lake County
