

ALVIN KEDDINGTON
CITY AUDITOR

K. E. WILLIAMS
CHIEF DEPUTY

SALT LAKE CITY CORPORATION

SALT LAKE CITY, UTAH

June 6, 1924.

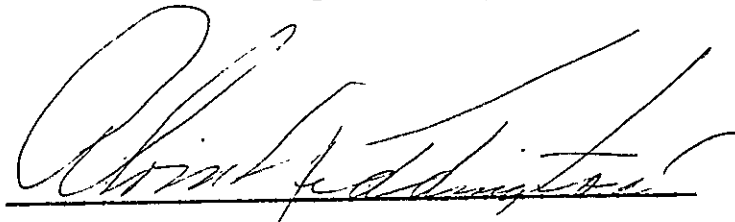

MR. H. E. CROCKETT, Sec'y.,
STATE BOARD OF PARDONS,

Gentlemen:

I have been informed that a petition is in circulation which is to be presented for your consideration, and concerning Ernest C. Whipperman, former Deputy Auditor for Salt Lake County. I have read a statement written by Mr. Whipperman and handed to me by Mrs. Whipperman, and while I am not fully informed as to the correctness of these statements, I am inclined to believe that the statements made therein are worthy of some consideration.

I do know that Mrs. Whipperman and her young baby are in need of the care and attention of a husband and father and am quite sure that justice would merit your consideration for an early favorable action on the petition to be presented to Your Honorable Body.

Respectfully,

A handwritten signature in dark ink, appearing to read "Alvin Keddington", written over a horizontal line.
