

E. J. GROESBECK
TREASURER

SALT LAKE CITY, UTAH

May 31st, 1924.

To the Honorable Pardon Board,
State of Utah,
City.

Dear Sirs:

In behalf of the application of Mr. E. C. Whipperman
for parole:

Will say, in my position as Deputy Treasurer of Salt Lake County, I became very familiar with Mr. Whipperman's hand writing, and at the time the audit was made, out of which his case grew, some of the warrants in question were presented to me by Mr. Percy Goddard, Special Auditor, for my examination and opinion as to the endorsements thereon. I examined them very closely and was then and am now of the opinion that he did not sign any of them.

Hoping that this letter may be taken into consideration in his behalf, I am

Yours truly,

A handwritten signature in cursive script, reading "E. J. Groesbeck".
