

Tahiona Mar 28.

To the honorable Board of Pardons¹⁹²⁴
of the State of Utah Gentlemen
We the People of Tahiona Present
Beg to inform you of the fact
that if Moroni Chaturin is to be
Pardoned it will mean in justice
to this People just think it
has taken U.S. five years to get
the villain in safe keeping and
to let him go a gen. it is certainly
to Bad. We hope that the honorable
Board will protect us in this
case it will prevent taking the
law in our own hands this
is short and sweet. But we
hope it hits the right spot
The Tahiona Mercers and other
merchants out here have suffered
a lot at the hand of that reach
the a Base is earnest and we hope
this will take an effect thank
yours O.B. The merchants of Tahiona
