

Roosevelt, Utah, June 15th, 1925.

To the Hon. Board of Pardons,
State Capitol Building,
Salt Lake City, Utah.

In the Matter of Martin E. Curtis,
also known as M. E. Curtis.

We the undersigned citizens of Duchesne County, Utah
hereby resist and oppose the the action now before your
Board to pardon out of the State Penitentiary the said Martin
E. Curtis convicted and sent up from Carbon County.

This man lived in this County for some time and was
generally known as a worthless idle citizen and wrote many
checks without funds in the bank which checks, in most cases,
he never made good, and we feel that he is an undesirable
person in any community and should not be permitted to leave
the prison and become a menace to the community and a further
expense to the State in arresting him from his unlawful pursuits.

Respectfully signed.
