

not judge or pass judgement but I feel I am  
my sister's keeper

If you had time to write to me and tell me  
how you feel about Mr. Curtis I would be much  
obliged. Has he any ambitions? do you think he  
could ever reform? or is he to ~~stick~~ a character  
you are there where you can watch him and be  
a better judge than any one I know.

Please if you find the time write me.

Respectfully

Mrs. D. E. Lambert  
Roosevelt, Utah.

P.S.

Please inform me what steps can be taken to keep  
him from securing a pardon just yet.  
You could write to Deputy Sheriff Wisconsin <sup>Roosevelt</sup>  
Utah. Kluchmeleo or Mrs. S. F. Zimmerman  
Roosevelt, Utah. for other information  
you might wish.
