State Board of Pardon

Gentlemen:-

May 11, 1923

In re
Petition for pardon
Lawrence Johnson
Box Elder County Jail.

At the request of Mr. Johnson
I am writing you the facts of his health.

He is in excellent physical
condition and is being well cared
for with much liberty from county prison.

He has had two slight attacks
of appendicitis since his sentence and
has made a rapid recovery. Operative
treatment is the proper thing although
not as yet absolutely necessary and he
has refused to have it done.

I know of no reason why his
sentence and incarceration have
aggravated his trouble which has been recurring
for years. Yours Respectfully
W. Leroy Smith M.D.
