My Dear Sir

I just recieved a letter from
my boy Morton Reed Ogden Utah
advising my son was in
jail for forgery. he has
been a good boy all his
life and the shock was
terrible to me and the only
support I have.

I am fifty six years old
and have been sick had
two operations and other
ailments. I cannot write
English and have to take
in washing for a living
I need my boy badly.
may I have my boy soon
