Board of Pardons,
Salt Lake City, Utah.

Honorable Board:

I am sending herewith a statement Fisher Berry, a colored gentleman to the effect that he will give Robert Jackson work if he is paroled.

I also wish to briefly state the facts as I stated them to your board last January. Mr Jackson was hired by the other two persons to drive them to the place where they got the goods. He has paid the damages to the man for the goods taken.

Yours truly,

J. A. Wade
