Governor Utah  
Dear Sir:

Am writing to you about  
my husband. He is the penit-  
entary. But dear governor  
he is not guilty. It was through  
a woman. She got angry at  
him because he would not  
leave me. And go away with  
her. Please governor please help  
me. I am going to become  
a mother. And I can not  
go out to work. I am all alone  
in the world. And the only  
support I have is lock up.  
Please governor just think

If your own daughter  
was in my place what  
would you do. I haven't a  
cent to my name. I am  
staying with Mr & Mrs Laid  
Lider. I think you know  
him. But you know they  
can not always keep me.  
So dear governor please  
pardon him. I will take  
better care of him only give  
us a chance in this  
world. we are both young  
I am only 21 and he is 27  
I have been married five  
years and had three children.  
He always was a loving  
father to his children & a

good husband please  
dear governor please let  
him out we were both  
trying to make good & so  
please help me. Hoping to  
hear from you. please  
use pencil & paper.
