Dear Sir:

I am writing about my
husband Mr. Tony LaBuenese,
which is in the State prison,
+ up for parole this month.
+ Mr. LaBuenese told me he didn't
know if he would be paroled or
if he is on the road.
I would come out & see him but
I am sick + can not do much
myself. Please do it for
husband + I have three little girls
+ it is pretty hard to take care of
them. So soon you will see if
you can do for me. If you wish
the amount of money please
write me at once. Please.
