

this offence was supposed to of  
occured I was always at  
home and it could not of  
occured with out my knowledge.

I have often seen little boys  
ranging from ten to twelve years from  
Fay home from school which was  
quite late at times, while her mother  
was absent and the child was in  
my care she caused me a great  
deal of worry for this one thing  
and as I know why Tony pleaded  
guilty which I can not state.

and also know he is not  
guilty, I thought it ~~was~~ wrong  
not to write, as his family  
needs his ~~support~~ support
