

Lake City and was unable to get work and I think the responsibility of caring for his family and his weakened condition was the real cause of his dishonest act.

But his health is so greatly improved that I feel sure if you gentlemen will pardon him he will come out with a determination to be a good citizen and father.

His wife and family need his assistance and I am sure will appreciate any help you can give toward clemency for him.

Very Truly Yours
Mrs W. H. Reichert
