Mr. Linus W. Hansen,  
% State Prison,  
City.

Dear Sir:-

I acknowledge receipt of your application for pardon or parole and wish to advise that inasmuch as your application for termination was denied at the December meeting it will be impossible for the Board to consider your application for anything other than rehearing. An application for rehearing, however, must be supported by an affidavit setting forth definite and specific facts which would warrant a reconsideration of your case; said affidavit to be sworn to before a Notary Public.

I shall hold your application pending receipt of the affidavit.

Yours very truly,

Secretary - Board of  
Pardons.
