Board of Pardons-  
Salt Lake City, Ut.

RECEIVED  
MARCH 13 1925  
UTAH STATE PRISON

Dear Mr Cluff-

Herewith I respectfully enclose two affidavits in support of a Re-hearing of my application for Parole of my son Linus W. Hansen, now confined in the State Prison of Utah.

These affidavits speak for themselves, and show the urgent need that my boy be paroled or pardoned as the Honorable Board Of Pardons may determine.

The family of my son, his wife and little children are now in urgent need of the support and financial help of their father.

I do not insist upon a pardon now, but do strongly feel that if my boy could be paroled out, so that he could be released to work for his wife and dependant little children- the ends of justice and the law, would be fully met and satisfied.

Asking your kind courtesy and consideration;

I remain, very respectfully-

Mrs. Amy Hansen  
Mother of Linus W. Hansen
