Mr. Lars Hansen,
217 South First Street, East,
Brigham City, Utah.

Dear Mr. Hansen:-

No doubt you are familiar with the situation in which your daughter-in-law, Mrs. Pearl Hansen, finds herself since the incarceration of Mr. Linus Hansen at Salt Lake City.

This office has been obliged to help her, and we are trying to help her plan as best she can for the future, but just now she is very short of funds and it occurred to me that you might be able to help her out a little. If you could make a cash contribution to the family of \$10 or \$15 monthly, it would mean a great deal to them.

As you know, Mrs. Hansen is tied at home most of the time with the young baby, and she is not strong. In fact, the physician to whom we sent her for examination recommends an operation. Can you tell us whether Mr. Hansen is doing work at the prison which is at all remunerative so that he could send something to his wife?

We shall appreciate your early reply with any help you can give your grandchildren, and any suggestions for their future.

Yours very truly,

(Miss) Helen M. Conner
Visitor.
