Board of Parolees
Salt Lake City Utah

Gentlemen-

Having plead guilty
to a Petty Larceny charge
in order to save the State
of Utah the trouble and
expense of a Jury Trial

I was sentenced to a
term of 90 days in the
Mober County Jail

Having been confined
since the 3rd day of
October I was sentenced
on the 22nd day of October

I wish to state I have
a wife and two small
children who are in
destitute circumstances
and need my support.

I have a job to go to as
soon as I am pardoned
or Paroled. I would like
to be pardoned so as to
be able to go to work
and make a few dollars
for the Holidays. This is
my first offense and
promise it to be the last
as I have been taught
a lesson. The reason I
am here is because I
picked up a few pieces
of scrap iron (or junk)
which was of no value.
If I had sold it I would
have received in money
about 40 cents. I did not
realize I was committing
any crime.

Thanking you in Advance
I am Yours Truly
Clyde Jackson
