Dear Sir:-

I am today filing my application for a Parole or termination, for a new hearing before your Honorable Body, insasmuch as the six months has expired and new evidence has been obtained in my case, and I feel that it justifies me for a new hearing.

With a deep sence of justice to myself I would if possible appear before your Honorable Body in person, as I fell that I can better explain the circeunstanes of my case and convince the Board that my imprisonment came through errors of the Court in Judgment and in Justice, not tempedent truth.

If an oppurtunity be given me at your next meeting. Thanking you in advance, I wish to remain, awaiting an early reply from you.

Very respectfully yours,

Laurence Hamilton
