

SALT LAKE CITY, UTAH, Aug. 2, 1924

To the Governor,  
Salt Lake City,  
State of Utah.

Honor Governor,

We take the liberty of  
to appeal again.

We are three small child-  
ren with a sick mother, our  
father (L. Jensen) is serving an  
interim sentence at the  
State Prison of Utah. We were left  
with out any support so we must  
appeal to the state for support.

We haven't any relatives  
here to help

I am the oldest girl in  
the family, my age is 13,  
asking you in behalf of my  
two little brothers and our  
sick mother not to let us  
starve.

We never did appeal to
