Dear Sir,

A few days before Xmas
I received the money through your lawyer
and gave him a letter for the Board of Parole
explaining therein, that it was not my
desire, to have you kept in Prison etc.
I regret to hear that you were not success-
ful in obtaining your release.
I hope that the Board of Parole will consid-
er your case more ~~favorable~~ ^{would} favorable this
time. I like to see you released this time.
Yours truly, Mrs F Kaper

Note. This letter is from the party that
cashed the check showing that they received
their money and would like to see me
regain my liberty.
