LAWYER
FIRST NATL BANK BLDG.
BRIGHAM CITY, UTAH

January 3, 1934.

Board of Pardons,
Capitol Building,
Salt Lake City, Utah.

Gentlemen:

In re. State of Utah vs. Joe Ormond and
Pete Robert Johnson.

Mr. B. H. Jones has advised me that he has filed an application for pardon in behalf of these defendants, and calls my attention to the fact that Judge Harris has already written your Honorable board making the recommendation that they serve six months, in view of the verdict of the jury, and that the three months which they served in the County jail be applied of their term if possible.

Without in any way attempting to go over matters again, I desire to refer you to Judge Harris's letter and to advise you that I am in full accord with everything stated by Judge Harris and am desirous of making the same recommendations to your honorable board that he made regarding the disposition of this matter.

Yours very truly,

LeRoy B. Young
