

Liddle is the man that
lost the beef & he says
these boys worked for
him a year & a half &
good trusting boys both
of them & there was no
reason for them going
at that in the first
place & James Randall
father in law is living
at the Point of View
& wants to see him &
was bad now. I wish
I do hope you will be
able to do something for
me & if you want a letter
of recommendation from
Mr James Liddle get it for
you & I can get you the

any
names of two hundred
people that
would be glad to see them
in now. I am sorry if
you can't do any thing
by this letter so write &
tell me what you can do to
get them back & I will
be glad to see them. A
man can live much longer
& Blackburn that did take
the beef he got out the 20
of last June when the Board
of Pardon met & all the
other men of the country
sure haven't got any things
against these Randall boys
& I am sure glad
to be able to congratulate you
