Honorable James Devine,
Warden of State Prison,
Salt Lake City, Utah.

My dear Sir:

At the request of some friends of Louis Christ, I am inclosing a Petition for Parole, for his signature, and not being familiar with the rules of your Institution, I am addressing the communication directly to you.

Would you kindly give him an opportunity to read this petition and sign the same if it is satisfactory to him, and I inclose an addressed envelop directed to the Secretary of the Board of Pardons, which you may use to forward the same.

Very respectfully yours,

CH-GHS
