GEORGE CHRISTENSEN, JUDGE

Alice Madsen

**AT CHAMBERS**

June 23rd,  
1925.

Mr. Charles Friedman,  
Utah State Prison,  
Salt Lake City, Utah.

Dear Sir:

Your letter of the 21st instant reached me this afternoon, and I have by return mail written the State Board of Pardons and advised them that I have no objection to the granting of your application and recommending a shorter term than that which I recommended at the time of your sentence, when I felt that I could only recommend the minimum sentence, but it is entirely agreeable with me if your record has been such as you state since your incarceration, that your application to the Board of Pardons now be granted.

Wishing you success. I remain,

Yours truly,

*George Christensen.*

District Judge.
