

held up this victim taking
his money and also his watch
they gave the watch to Edd
and he not realizing the
consequence took the watch
and they took the money.
shortly after this they
were arrested. now it seems
to us that our son was a
victim of circumstances, as
you see he was led into
this not knowing what was
going to be done, untill he
saw with his own eyes the
very act. now we are asking
why our son should have
to suffer such shame and
humiliation when he was
led into this not knowing
what was to be done.

We can vouch safe for
our sons character he
was always a good boy, and
