I am 72 years old not able to work I need his support
I am living with another son. He has a wife and
three children. to support it is more than he can
do. I will ask you if you will please try and
let me have my boy again to take care of me.
He has promised keep straight from now on
and make a home for me. So if you will please
try and get him released for me it would make
me very happy to see my boy again. I have been
promised a place for him to work. He has been
in prison for 17 months
