

To

Honorable Board of Pardons
of the State of Utah.

Gentlemen:-

I thank you for the trust imposed upon me by Paroling Lorenzo Hitesman to me last December and in consideration of such duty I have constantly taken great interest in this young man during all the time since your said action.

I now am pleased to report to your Honorable Board, in view of the fact that he has made application for a Pardon, that immediately after he was given to my care, he went to work at the Standard Fuel Company Yard and delivered Coal for nearly a month and that he gave splendid satisfaction; and since that time he has been driving a truck and has worked steadily giving his earnings to his parents.

Lorenzo has an uncle living at Kemmerer, Wyoming, ~~who is in a position~~ ~~of the~~ who is the owner of a Ranch near there and he has offered him a good position on his ranch which Lorenzo is anxious to accept and as this party, Mr. J. Hadingham, is a most reputable person, as I know, I believe that it would be a splendid opportunity for him and that he intends to and will lead a straight forward, honest life in the future, I trust that you will see your way clear to grant his application for pardon that he may not be under any cloud when he becomes employed as now arranged.
Dated Salt Lake City, Utah, 3/20/1925.

Respectfully,

Fred Edwards
Murray Utah.
