

Hoquiam Washington December 14 1923  
Honorable Board of Pardons  
Salt Lake City Utah  
Gentlemen

Walter Abington, who has been confined  
in the Utah State Prison since May 14 1921  
will with permission, appear before you  
December 21st or 22nd with an appeal  
for pardon.

All claims against him have  
been paid in full and the charges with-  
drawn. If given his freedom he will  
have a home to come to and plenty of  
opportunities to work.

Your clemency in the matter  
will help restore hope and heart to a  
wife who still believes in her husband  
and that he has learned a bitter lesson  
and will, if again given the opportunity,  
prove himself worthy of the trust.

Very truly

Wm. Walter Abington (underwood)
