Mr. Walter Abbington,  
c/o Utah State Prison,  
Salt Lake City, Utah.

Dear Sir:

We acknowledge with thanks your recent favor in making settlement of your unpaid check, together with the expense incurred amounting to \$55.58.

We are very glad indeed to note that your stay in the Utah State Prison has resulted in good, because even though a man goes wrong, if he sees his folly in time and makes restitution with the decision to be straight and clean in the future ~~that~~ all will be well with him.

We assure you that we have no ill feelings for the check issued us, and we only hope that you will have the strength to persevere in your good resolution.

With every wish for your future success, we are,

Yours very truly,

*J. H. Waters*  
Managing Director,
