Dear Sir,

My attorney has advised me to write to you and ask you for Mr. W. H. Hartell's number at the prison as he thinks it will be useful in my divorce suit which comes up the first week in Sept. Would you please write and tell me his number? I am coming to Salt Lake City to live this fall and I would like to have an audience with the Board of Pardons. I wish to tell them of Mr. Hartell's past life back here in Illinois and other places also. I am afraid you will think me only revengeful but I have suffered at his cruel hands and I think he should be punished. He is not a good man or never was I have found out to late and I am only one of his dupes. I think I can convince the Pardon Board that he is about the lowest piece of humanity on the face of the earth, a low down adulterer, thief, dead beat & liar. A person of his type would do almost any thing. I was very good and kind to him and he showed his gratitude by slandering me, lying about me and robbing and deserting me also robbing my friends. Surely the Pardon Board should be very careful in dealing with him, I can give references from the best of people who have known me for years and I am honest and honorable. I was a fool to trust him is all. I will be in Salt Lake City in Oct and would like to visit the Pardon Board.

Respect yours,

Mrs. Florence Hartell
