THE STOCK GROWERS NATIONAL BANK

— RAWLINS, WYOMING —

CAPITAL AND SURPLUS \$145,000

Aug. 28, 1924.

Honorable Board of Pardons,
% H. H. Cluff, Attorney General,
Salt Lake City, Utah.

Dear Sir:

It has been brought to my attention, that W. H. Hartell an inmate of your State Penitentiary will appear before your Board requesting a parole next month.

Mr. Hartell was a resident of our city for a little better than six years to my knowledge, during which time he worked for the Union Pacific Railroad Company, owned and operated a milk depot, and again entered the service of the Union Pacific.

His record during these years was absolutely good. He was a good citizen, paid his bills promptly and kept a good checking account in our bank. At one time he and his wife rented a dwelling from me which was located on the rear of my residence and lot and during that time I had occasion to visit with him daily. His rent was always promptly paid and he was a sober and industrious employee.

It later came to our attention that he and his wife became estranged, and from that time on I know nothing of his career.

In view of his past good record, it appeals to me that a parole at the hands of your Honorable Board might be the means of again making this man a good and useful citizen.

With all due respect, I am

Yours truly

H. Breitenstein
CASHIER.
