That I have been here 9 months on

they know I was a drug addict  
that I am entirely well have been  
since I came out here.

That my mother is old and she  
is confined in the house all the  
time and she isn't able to take  
care of herself. That I have a little  
girl who lives with her, I want go  
home so I can be with them.

Also I want to be paroled to my  
father he wants to take me home  
and he is able take care of me  
untill I can get a position.

My husband is dead and that  
my little girl is depending on  
my mother to care for her.

Mr. Blackett I will appreciate  
you doing this for me. If I make  
it fine. If not I will be just the  
same, And I thank you. Maxine
