Hon. Harvey H. Cluff,  
Attorney General,  
Building.

My dear Mr. Cluff:

I am transmitting herewith a letter from Hon. John J. Blaine, Governor of Wisconsin, in regard to Harry Hett, alias George Allen, sentenced to be executed. I do not find in the files the telegram quoted by Governor Blaine, nor any other information concerning Hett's case. It has occurred to me that all the papers may have been forwarded to you, and I am sending Governor Blaine's letter to be attached to the file for consideration if a petition for clemency should be filed.

Very truly yours,

*John J. Blaine*  
Governor.
