

LAW OFFICE OF
JOHN C. DAVIS
OGDEN, UTAH

March 3, 1925.

Hon. James DeVine,
Warden,
State Prison,
City.

Dear Sir:

Enclosed please find petition of Peter DeHeer who is a Hollander by birth, coming to this country as a convert. He lives in the Riderdale District just South of Ogden. He has a wife and family who are in destitute circumstances. Up to the time that he yielded to the persuasion of others in setting up a still on his place, he has been a good citizen. He has a team and is leasing a piece of land which he depends upon for sustenance for his wife and family.

If he can be turned loose in time to put in his crop, I am sure that it will be for the public's interest. The fact that he has been sentenced has given a lesson to others.

I am sure that there will be no more trouble with DeHeer if he is pardoned.

Very truly yours,

John C. Davis
