MANUFACTURING CONFECTIONERS

COR. WALL AVE AND TWENTY SIXTH ST

OGDEN, UTAH,

August 11th, 1920.

TO WHOM IT MAY CONCERN

Mr. Herbert V. Logan was in our employ for about five years, during which time he had considerable experience with various types of machinery which we use. We found him to be very capable in making repairs and in keeping the machinery in good running order. His services with us at all times were entirely satisfactory. He left our employ of his own accord because he desired to do something bigger.

Yours truly,

THE SHUPE-WILLIAMS CANDY CO.
