Gentlemen:

Answering your letter of the 6th instant asking for further information in relation to the applications of Harold Wilson Boyd, Robert Blenkhorn, Wilbur Wilson, and James Cashin, I will say that I have no further information to transmit to the Board of Pardons than was included in the statements which I submitted to the Honorable Board of Pardons on November 8, and December 10, 1924. My recommendations now would be the same as those contained in said report.

Respectfully yours,
