Mr James Devine, Warden,
Utah State Prison,
Salt Lake City, Utah.

Dear Mr Devine:

On December 26, 1923, you wrote me in regard to my brother-in-law, Joe McKee, an inmate of Utah State Prison. His application to the Board of Pardons had been denied. His conduct was good and it was hoped that it would continue good so he might be able to receive consideration at the meeting of the Board, June 21, 1924.

I feel certain that his conduct has been good, for Joe is a good boy at heart. I feel sure, too, that he has suffered mental anguish because of his inability to help his humble parents in their financial reverses the past few months.

Trusting it will be in agreement with your good judgment to recommend his application for pardon next month I remain,

Sincerely yours
Fred C. Schilling.
