Governor Chas. R. Mabey,  
Salt Lake City, Utah.

Dear Governor:-

I am writing you in regard to  
Mr. Joe McKee in the Utah State Prison  
to see if there is anything you can do  
to get his sentence cut. He has already served  
about four months, don't know exactly how  
much more he has yet.

This is the first time he has ever been  
in any trouble, and that is why I am asking  
you to help me.

Hoping that you will be able to help me,  
I am,

Very truly yours,

Ina Gordon.
