

to do this at the December Period

In case Your Honor decides in harmony with my sincere wishes, for McKee's sister (my wife) and I, as likewise his humble parents, will do all in our power to help the young man lead a righteous life.

I have enclosed a copy of a reference letter of myself, also names for further reference of myself to show my good faith in the matter.

Trusting Your Honor will find it favorable to consider this case, and thanking you, I am,

Sincerely yours,
Fred C. Schelling.
