Utah State Board of Pardons,  
Salt Lake City, Utah.

Dear Sirs:

Last December a letter of mine was referred to you in regard to my brother-in-law, Joe McKee, an inmate of Utah State Prison. His application to the Board of Pardons has been denied at that time.

So far I have received word all in favor of his conduct, and I feel sure his conduct is continuing good, for he is a good boy at heart. I am certain it has been a great anxiety to him not to be able to help his humble parents in their financial reverses of the past few months. He has been made a better man thru his mistake and misfortune, and has been taught many things in your great institution.

I am certain you will find it in accord with your good judgment to recommend him for pardon next month.

Trusting you will be able to consider him at the next meeting,

I am

Sincerely yours,

Fred C. Schilling
