

95
OFFICE OF
D. R. ROBERTS
JUDGE OF THE CITY COURT

Ogden City Corporation
Ogden, Utah

Sep. 12-1923.

To The Honourable
STATE Board of Pardons,
Salt Lake City, Utah.

Gentlemen:

In-re A. Sugiyama,
alias A. Fuji.

Replying to your request of Sep. 10- relating to the above named matter, beg leave to advise, that the facts as presented in Court were as follows:
The defendant is 72 years old- he is single- he has resided here 2 months prior to conviction- he came from Kemmerer, Wyo.- he manufactured whiskey (to sell?) because he was too old to work- said he made it for his own use.

The Officer testified that the defendant had six gallons of whiskey on hand:- that he had emptied some- that he had four 50 gallon barrels of mash- that there was a complete still in his possession, tho dissembled, had been recently used.

I have no recommendation to make in this case.

Respectfully submitted,

D. R. Roberts
Judge of the City Court.
