Dear Honorable Governor

I am writing you these few lines in regard to my son Arthur Meier an inmate of the State Prison for some over a year,

I am begging you to consider his case as he is only a young boy he was just 19 years last December the 20th, and was always at home until about a year and a half ago he went out west with another fellow and unfortunately got into this trouble.

I know he has bitterly repented every minute he has been there,

When he first got in there he did not write home until he got so home sick, he just had to write
