

Ogden, Utah.  
Dec. 5/23.

The Board of Pardons.  
Your Honor.

I am writing  
you in my own behalf.  
I am a widow  
with a little girl nine  
years of age to support.

I was taken sick  
Wed. Nov. 7<sup>th</sup> and had  
been bed fast six days.  
When three of the  
purveyor Squad of the  
Police Department came  
and raided my rooms  
and found part of a  
pint of whiskey, which  
to my knowledge, I knew  
nothing about. I can  
truthfully tell you I did  
not take that stuff

to my room, or I do  
not know who put  
it there.

If your Honor would  
pardon me, I would  
sure appreciate it.

Thanking you very  
kindly for whatever  
consideration given me.

I am Yours Truly,  
Mrs. Julia Hansen.
