

Columbia Utah.
September 18th, 1924.

To the Honorable Board of Pardons,
Salt Lake City, Utah.

Gentlemen:

We are advised that Charles Marra has made application for parole and desire to state that if his application is granted, we will furnish him steady employment at the Columbia Mine, Columbia Utah.

His Father is an experience miner in our employ and Charles Marra, the applicant was in the employ of this Company prior to his trouble and rendered satisfactory services as a miner.

We have confidence in this young man and believe that he will reform, if given a parole.

Sincerely yours,

Frank B. Morgan
Mine Foreman.
